

A级生命体验家之最终曲 《探索自然》

a Life Experiential Enrichment Camp - Final «Nature Explorer»

INTRODUCTION

Appreciating life starts from appreciating the natures. Appreciating nature is done through exploring the natures with the right positive values of humanity. This is the bridge leading our children growing towards life with good meaning, positivity, persistency, respect and love.

LEARNING OBJECTIVES

- Guiding the children to love and respect the nature and all living creatures
- Leading children to experience the harmonious and peacefulness from our mother nature
- Cultivating independence and great love in children through survival skills learning in the nature
